

Project Demo Planning

Date: 30 September 2026

Team ID: SWTID-2026-4040

Project Name: ComicCraft — AI Comic Story Creator Using Gemini Models

Team Leader: Bala Esakki R

Team Members: Sandhiya D, Rithikaa B, Anitha R, Anbuselvi

Team Size: 5

Maximum Marks: 5

Time	Segment	Lead	Evidence
0–2 min	Problem and project objective	Bala Esakki R	Problem statement + project overview
2–4 min	Architecture and AI pipeline	Sandhiya D	Architecture / DFD
4–7 min	Live application input and Gemini flow	Rithikaa B	Web form + generated outline/story
7–9 min	Image generation and preview	Anitha R	Stable Diffusion + preview
9–10 min	Testing, limitations and future scope	Anbuselvi	Testing + future plan
10–12 min	Q&A / backup screenshots	Team	Screenshots and repository

Backup plan: pre-capture screenshots or sample outputs in case Gemini/API access or GPU image generation is unavailable during the live demonstration.
